ATLAS MARBLE AND GRANITE

Dear Customers,

We are happy to announce that our showrooms is **OPEN** for homeowners and designers, **by appointment only**, starting Monday April 27th

Our showroom hours will be Monday thru Friday, 9am to 3pm to give us time each day to thoroughly cleanse and sanitize. We will be enforcing strict safety and social distancing measures while customers are in the showroom and warehouse. Below are guidelines we will be following for the safety of our employees and the customers visiting us, please use these to help plan visits:

- Please call ahead to schedule an appointment.
- There are a limited number of appointments per day, so please be as punctual as possible. If a prior appointment is still waiting to exit, please wait in your car until your appointment time or we are ready and we will call you.
- We will be limiting the amount of people per group entering the warehouse to 3 and please remember, no children allowed. You must be 18 or older to enter the showroom and warehouse.
- Please ensure you have masks for your visits, we do not have extra to provide and masks will be required by all to enter and must be worn throughout the visit.
- Anyone entering our warehouses is required to be wearing a mask, this includes drivers coming in for pick ups.

We will also continue to schedule virtual appointments for customers to view samples/slabs in our warehouses if they would prefer.

Please let us know if you have any questions! Thank you all for your understanding and continued support during these uncertain times.

Take care and stay safe
Atlas Marble and Granite
